

**Starksboro Conservation Commission October Meeting**  
**Saturday, October 26, 12-4**  
**Cota Pavilion at noon. Afterwards working along the Creekside Trail. Short**  
**business meeting to follow.**

**Agenda**

1. Review minutes of last meeting.
2. Work with Middlebury College students to remove invasive plants along the Creekside Trail: especially buckthorn and honeysuckle.
3. Plan for our next workday on Saturday, Nov. 9<sup>th</sup>.
4. Other

We welcome any Starksboro residents who would like to come help us remove invasive plants along the Creekside Trail. Be prepared for ticks. Bring shovels, pruning saws, loppers. We have two extractigators (weed wrenches).
